

Analysis Service

Our analytical services cover a diverse range of sample types and applications, performed by a laboratory with over 40 years of accumulated analytical expertise. Our UKAS accredited ISO 17025 Laboratory performs CHNOS and nitrogen/protein analysis, and offers specialized capability for air sensitive samples. We can also provide organic TOC, inorganic, and stable isotope analytical services.*

- Rapid turnaround of results
 - Expedited service also available
 - UKAS accredited Testing Laboratory No. 4260
 - ISO 9001 accredited business
- Whether you have a single sample, or an on-going research program, we offer you commitment to precision and accuracy at an affordable price.
