

# New Product Information

## Ash finger 10-packs for Elementar® analysers

Elemental Microanalysis has introduced new 10-packs of the most popular ash fingers used in Elementar® analysers, thus saving customers money on these items, which are often ordered in bulk by busy laboratories.

Product C3060 is a 10-pack of ash finger C3018, while product C3070 is a 10-pack of ash finger C3024.

C3024

C3018

Part number	Description	Elementar® part number
C3060	Ash finger, quartz, pack of 10	11001170/4
C3070	Ash finger, quartz, closed end, pack of 10	11.02-1036/4

These products offer the same high quality and value for money that is typical of Elemental Microanalysis' entire product range.

Available to order from our [ISO 9001](#) factory online, by email, telephone or fax.

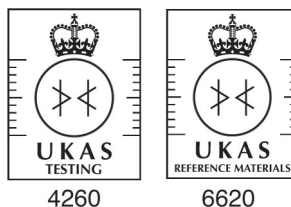

Elemental Microanalysis offers extensive knowledge of analysis, over 40 years of experience and a worldwide reputation for excellence.

We offer many different ash fingers, or ash crucibles, in quartz, ceramic, and stainless steel, for a wide range of elemental analysers.

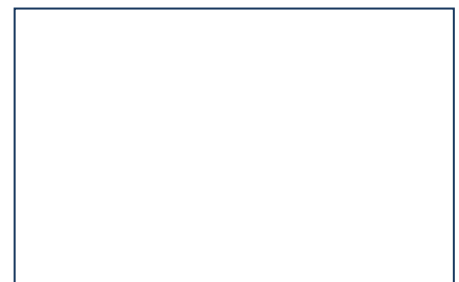

To determine the correct ash crucible, and see the full range of products we offer, for your analyser, use our 'Advanced Search' facility on our website, and select your analyser brand and model from the menus.
